DERMATOLOGY & AESTHETICS

232 19th St. • Suite 7230
Atlanta, GA 30363
OFFICE: 404.873.1795

Sumayah Taliaferro, MD
Medical, Surgical, & Cosmetic Dermatologist

Welcome to Atlanta Dermatology & Aesthetics, PC. We are delighted that you chose our practice for your care. Atlanta Dermatology & Aesthetics, PC is a private independent practice providing comprehensive expert care in medical dermatology, cosmetic dermatology, and surgical dermatology. While we are a modern practice that is growing, we seek to maintain the essence of a practice that has a "small town feel" – one that delivers personalized care. The practice treats patients of all ages.

In order to deliver a high level of service, each patient may require time that is not customized until after the first visit. We value your time and also ask for your understanding that quality may at times supersede expediency. Dr. Taliaferro works with highly skilled physician assistants and a master esthetician/laser specialist. They also provide a high level of quality care. At any time, however, please let the front staff know if you have additional questions for Dr. Taliaferro or need to schedule a follow-up visit with the doctor.

We sincerely hope that you have a wonderful experience in our office. Know that in the current era of medicine, medical providers are challenged to practice under increasing regulation and mounting logistical burdens. If at any time your visit does not meet your expectations, please let us know by speaking with the office administrator, Pamela Frazier or with Dr. Taliaferro directly. This is very important to us. You may communicate with us by phone or directly in the office. You may also communicate to us in writing (address and email below) or by leaving a message with the answering service at 770-422-0448 (Northwest Answering Service).
